INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.56 and § 1.97

Mail Stop Amendment Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform Sir: the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to the references A01-A17, B01-B09 and C01-C71 listed on the attached form PTO 1449 entitled "List of References Cited by Applicant." A copy of references B01-B09 and C01-C71 is provided herewith. Pursuant to 37 C.F.R. § 1.98(a)(2)(ii), copies of the cited U.S. Patents and U.S. Patent Application Publications are not submitted herewith. Also provided herewith is a PCT International Search Report from the counterpart International Application No. PCT/US03/25399.

Identification of the listed references is not meant to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application.

Applicants respectfully request that the references be made of record in the file history of the application.

Submission of this Information Disclosure Statement is before the mailing date of the first Office Action on the merits; therefore, pursuant to 37 C.F.R. § 1.97(b), no fee is believed to be due for the filing of this Information Disclosure Statement. Please charge any required fee, including any deficiencies in the amount estimated to be due, to Jones Day Deposit Account No. 50-3013. A duplicate of this sheet is enclosed for accounting purposes.

Date:
